

PVAMC Research Training

Employee Name:

Supervisor:

Date:

Email Address:

Position title:

Also needed: An Initialed and Signed Scope of Practice, from Supervisor.

TMS & CITI Training should be completed within 10 Business Days.

Training, that is not completed or has lapsed, could result in the removal or not being able to participate in a VAMC Research Study Projects.

Supervisors: For your employees, please check the trainings that will be required for the type of research being conducted, and then sign. Return this form to the Training Coordinators, listed below so that the Research Committees can review and confirm trainings.

Please note that all employees, WOCs, and IPAs must complete, regardless of research area:
